If you are unable to attend then please feel free to invite a colleague in your place or request a copy of the presentation from us directly.

Developers' Club

We are delighted to invite you to our March Developers' Club seminars.

GDPR UPDATE

Following the unprecedented popularity of our GDPR seminars our March 2018 Developers' Club will reiterate key guidance regarding The General Data Protection Regulation

Matthew Cole, Partner at Prettys, will be joined by Robert Masson. Matthew has many years of experience in dealing with data protection and is now fully engaged in dealing with the legal aspects of GDPR compliance for various public and private sector organisations

Robert is CEO of the DPO Centre (www.dpocentre.com), a specialist data protection and compliance consultancy and provider of outsourced data protection officers. Robert is also an expert adviser on compliance with the GDPR. He assists organisations to identify how this significant new legislation will affect them and guides them through the steps needed to comply.

Registration is from 8.00am, with the seminar starting at 8.30am and finishing by 10.00am. Optional networking thereafter, concluding at 10.30am.

Attendance is free. Early booking is recommended and a light breakfast of bacon/sausage rolls will be provided.

We do hope you will be able to join us!

N.B. You have received this invitation because your details appear within the Prettys database of contacts. This means that a member of our team has met and/or worked with you over the last year or two, or that you have subscribed to receive our Developers' Club seminar invitations. If you would like to edit your subscription preferences or unsubscribe, please do not hesitate to contact us via email: development@prettys.co.uk
