**We are delighted to invite you to our Data Protection Update taking place at Suffolk Food Hall.**

With GDPR's first anniversary behind us, we are beginning to see the ICO set a trend in terms of issuing record breaking monetary penalties to those organisations who do not demonstrate compliance with the legislation. The UK Courts are also beginning to pave the way for group litigation. In this session, we will cover:

- GDPR in the news: those recording breaking fines issued to Marriot International and British Airways.
- How European Data Protection Authorities are responding to GDPR and the fines we are seeing being issued for non-compliance.
- Case Law updates: the rise of group litigation and the issue of civil liability.
- An update on Subject Access Requests.
- Where we are in terms of Brexit and how this impacts data protection moving forward.

**Registration is from 8.00am, with the seminar starting at 8.30am and finishing by 10.30am.**

**Optional networking thereafter, concluding at 11.00am.**

Attendance is free. Early booking is recommended and a light breakfast will be provided.

We do hope you will be able to join us!
